Thank you, Lord, for the great blessings that You bestow upon us every year with a great staff and wonderful members. Please bless us all with a healthy 2020, as well. Campfires are lighting up the night sky now that cooler temperatures are settling in. We've been enjoying each other's friendships, cheering on our favorite football teams, coming together for fall crafts, and enjoying several great nights of bingo.

This past year brought us plenty of good times. 2019 brought us Heather Overcash who has been a blessing to our members. One of the best moments that we had was during our kids Bingo. One sweet child ended up winning most of the games but shared all of her winnings. The

resort spent the summer bustling with kids. Our Mardi Gras Parade and Mask Making were big hits! Both Easter Weekends in April were a huge success with Easter Egg Hunts, potlucks and crafts. We enjoyed a Mother's Day Weekend with a Tea Party with Mom, Crafts, and Clint's Canvas Creations.

We've got a great line up of activities for 2020. Come dance with us in February for our Roaring 20's Weekend for a flappin' good time. In May, welcome in the warmer weather with a Water War Weekend. In July, put your war face on for the best ever Annual Nerf Battle Weekend. Don't miss our Labor Day and Membership Appreciation Blowout Weekend in September.

We've been hard at work making updates around the park. The new floor in the clubhouse is looking great, come on by

and take a look. We've also replaced some of the decks on our Cottages and will finish the rest in the upcoming year. In the new year we will be making a few upgrades and repairs to the swimming pool and will be replacing the entire deck. We are also building a larger, leash free, dog park! It is going to look amazing when we are done.

OCP Cares

During the 2019 year, Ocean Canyon Properties, our resorts, and our members are proud to have donated to different causes for our community and to our country. Together we raised money for cancer awareness, wounded veterans, homeless, and child protection services.

This year, members of the corporate office brought cans of food and water bottles to support Harvest Texarkana, a regional food bank that supports families in Northeast Texas and Southwest Arkansas. Harvest Texarkana provides food to those who are struggling to provide for their families. Mike and Amy's granddaughter, Allie, served up some delicious hot cocoa and raised money for Randy Sams' Outreach Shelter, to help with life skills and job training, and diapers for First Choice Pregnancy Center, who help men and women who are facing unplanned pregnancies. Moved by the holiday spirit, our corporate team donated toys to our local child protective services for children currently in their care to enjoy on Christmas morning.

Our family at Hideaway Ponds donated to a worthy cause during the 4th of July Weekend. Members donated to the Wounded Warrior Project, who provides a variety of programs, services and events for wounded veterans of military actions who served after September 11, 2001. Members bought snow cones and gave extra donations to give to this cause. One of our 17-year-old members gave everything in his wallet. He had parents who both served in the military. Together they raised over \$250.

This October, Mountain Lakes hosted a car show and fall festival to raise money for Breast Cancer Awareness. They had around 40 vehicles, 200 guests, bounce houses, food, dunking booths and live entertainment. With a few activities and admissions for the cars, our members raised a little over \$1500 to go to Breast Cancer Awareness.

There were a lot of activities we enjoyed this year. Members enjoyed hundreds of campfires, serving up the best S'mores. We've had water balloon fights, crafts, parades, tailgating, karaoke, live blue grass music, and more. This October, we celebrated the changing season over our Fall Colors Weekend

This next year, don't miss out on the great activities we have planned. In March we'll have our "Spring has Sprung" Weekend. In June we will get wet at our "Water Fun" Weekend. We have a special "Parents Survived the Summer" Weekend in August. Come enjoy a classic "Alice in Wonderland" Weekend in November.

We are busy making improvements to our swimming pool with a fresh coat of paint on all three of our pools at Branson Ridge. We will have it up and running for your pleasure and enjoyment when we reopen this spring. We are also painting the motel and lodge rooms, as well as a few other structures across the park.

Hideaway Ponds

6367 Bayou Black Drive, Gibson, LA 70356

As the cooler temperatures descend on us in the bayou, our members have been keeping warm with coffee socials and marshmallow roasts. Family games of UNO can be heard throughout the clubhouse and we've enjoyed each other's fellowship over holiday crafts.

Hideaway Ponds has had a full year of wonderful activities. In January the smell of all types of pies drifted through the park as we held our Annual Hideaway Pie Contest. Peter Cotton Tail visited us this Easter and in September we crowned Tony and Sally Comeaux as Mr. & Ms. Hideaway. Halloween at Hideaway Ponds was a great time. We feasted together over

a Halloween potluck, costume contest, and Trick-or-Treating. And we closed the night out with a Monster Mash and Karaoke.

The next year is going to bring another round of can't-miss-activities at Hideaway. Bring your Sweetheart to our Valentine's Weekend for a special time for the two of you. March will bring our Dr. Seuss fun, a whole weekend to enjoy crafts, and our Annual Pie Baking Competition. We'll be calling all our best Cajun cooks in April for our Jambalaya Cook-Off. Plus, don't miss the Mother and Father's Day Weekends, American Pride Week, and our 3rd Annual Mr. & Ms. Hideaway Contest coming this Summer.

We are making some beautiful decorative changes this next year. We hope to make Hideaway feel more like home. We are working on the electronic gate for your safety and security. We are also renovating the clubhouse to make it more comfortable and welcoming for all.

- 1 14.5oz can diced tomatoes
- 1 14oz can tomato sauce
- 2 15oz cans dark red kidney beans
- 2 16oz cans Bush's Chili beans, mild

Directions

In a large stock pot, add olive oil, chopped onion, jalapenos, chili powder, salt, pepper and the meat. On medium high, stir and break the meat down to small pieces.

Cook until the meat is brown and the vegetables are tender approximately 20 mins.

Add tomato sauce, diced tomatoes, whole tomatoes (crush those with your spoon) Simmer for about 15 minutes. Add the beans and simmer on low about 45 minutes. Enjoy!

Serve with: corn bread/muffins, Frito's, shredded cheese, sour cream, chopped green onion, etc...

Corn Muffins

Ingredients

2 large eggs	1.5 c self-rising corn meal mix
1 cup milk (or buttermilk)	1 cup all purpose flour
1/4 cup vegetable oil	1/4 cup sugar (optional)

Directions

Preheat oven to 350

Whisk eggs in a medium bowl, stir in milk, oil, corn meal mix flour and sugar until smooth. Batter should be creamy and pourable. If too thick, add 1-2 tablespoons additional milk.

Fill lined muffin tins 3/4 to the top (or use an 8" greased baking dish).

Bake 20 to 25 minutes or until brown.

Old Fashioned Peanut Butter Cookies

Ingredients

1.5 c all purpose flour	1 cup light brown sugar, packed
1 tsp baking powder	1 tsp vanilla
1/4 tsp salt	1 large egg
1/2 cup (1 stick) unsalted butter, room temp	1.5 cup chunky (or creamy) peanut butter

Directions

Preheat oven to 350 and line cookie sheet w/ parchment paper.

In a small bowl whisk flour, baking powder & salt. Set aside.

In a mixing bowl cream the butter & brown sugar, about 2 minutes. Mix in peanut butter, vanilla and egg until combined. Mix in flour mixture. Dough will be thick.

Scoop with a tablespoon(I use a cookie scoop for uniform size). Roll them to form a ball. Roll them in granulated sugar if desired. Place on a cookie sheet, 2 inches apart. Use the lines of a fork to indent a criss-cross pattern and to gently & slightly flatten.

Bake 10-12 minutes, or until lightly browned, turning cookie sheet halfway through.

Millwood Landing

596 Hwy 317, Ashdown, AR 71822

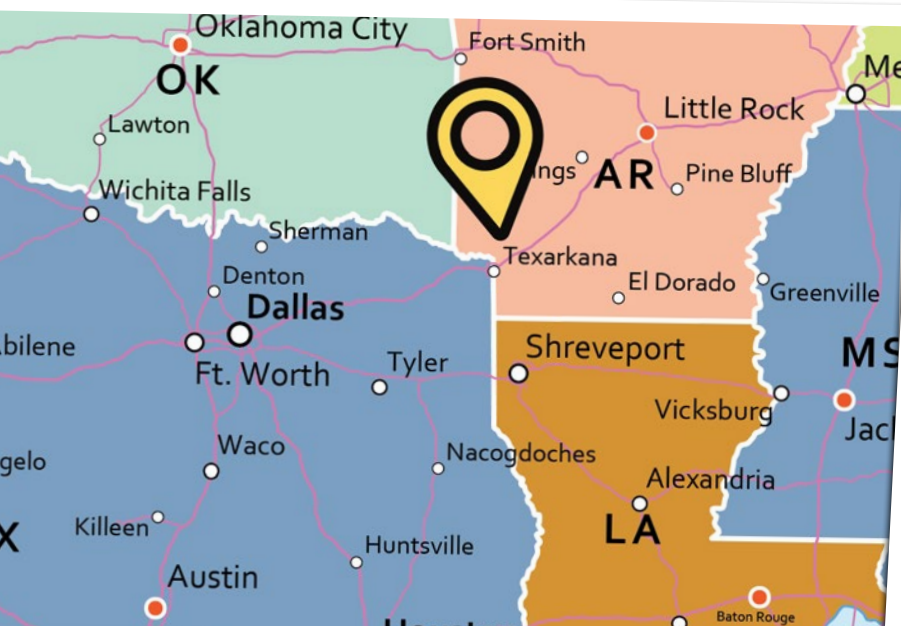

We enjoyed a busy 2019 at Millwood Landing as many of our members found their way to this beautiful spot in Southwest Arkansas. The Summer blessed us with a lot of warm, beautiful weather so that folks could travel around and enjoy all of the breathtaking views of Millwood Lake, trips to the historic town of Old Washington (the old capitol of Arkansas), and plenty of golf on our beautiful 18 hole course.

This 2020 is shaping up to be a busy year as well. The team is renovating the pavilion so that you and your families will have a nice large area to

play, congregate and fry up all of the fish that you catch on Millwood Lake. Plus, the fish that were stocked in the two ponds a few years ago are now of a size that they seem even hungrier for the worms, crickets and crankbaits that our members are offering them from the shoreline. We certainly enjoy hearing the voices of our excited young fisherman as they hook onto a big fish! We are also installing coin operated laundry facilities so that you will have a nice, updated place to clean your clothes.

Our Manager, Amanda Bass has put together a great team of employees at Millwood Landing and they are passionate about making sure that our members have a laid-back resort atmosphere to enjoy. They go above and beyond for our members. Make sure that you stop and say hello to the Millwood Landing Team on your next visit. They are keeping

the grounds and the large pool area beautiful for everyone to enjoy.

Mountain Lakes

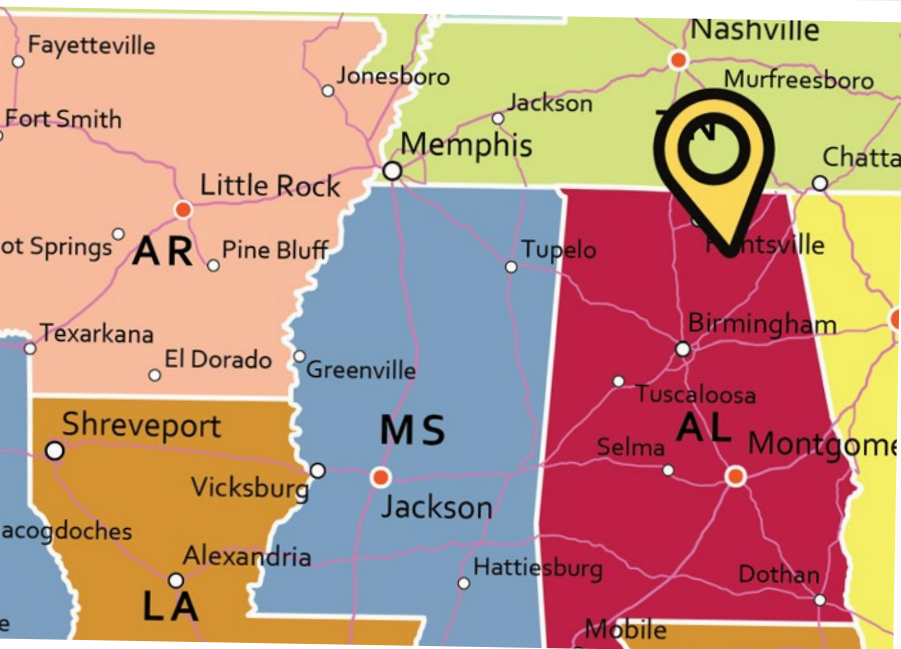

1345 Murphy Hill Road, Langston, AL 35755

It's been one amazing year at Mountain Lakes. Currently, we are still enjoying our Taco Tuesdays, Card Games, and Ladder Golf. The smell of fall potluck food has been filling the clubhouse during our Thursday Dinners.

We kicked 2019 off with a Chili-Cook Off in January where Travis Raney won 1st place. Our Valentine's Dinner and Dance in February was a big hit with the lovebirds. August brought our Annual Luau with a special appearance by the King of Rock & Roll himself. Everyone had a blast

at our Annual Fall Festival and Car Show. Our Halloween celebrations were filled with candy, decorations and costume contests, and bobbing for apples. We closed the year out with a Dirty Santa party and a fantastic Christmas Dinner with friends and family.

We are excited about all our events we have coming up in 2020. Come join us in January and test your cooking skills in our Chili-Cook Off and enjoy our Game Show Weekend. Get ready for a great time in March at our Treasure Hunt Weekend. April will bring some great music and good times with our Grand Ole Opry weekend. In June we'll be bird watching during our Eagle Weekend. Pack your grass skirts for August as we'll be celebrating our Annual Luau.

In the next coming year, we are converting more 30 amp sites to 50 amp hook-ups for our members. We are also improving our Condos starting with the roofs. And we will continue to work on many other things, making improvements where we can.

OCP SPOTLIGHT

David Howard

David Howard is an integral part of OCP's accounting department. He has been with the company for 3 years. Before working with OCP, he spent some time working at a local country club as ground maintenance. Davey, as he prefers to be called, is a native of Texarkana, TX. After graduating from Pleasant Grove High School, he went on to graduate from Texas A&M-Texarkana with a degree in accounting.

Growing up, Davey enjoyed hanging out with his friends and playing Little League Baseball, along with basketball and football. In high school, he played both offensive and defensive football and was also a point guard on the basketball team. He also competed in UIL, both in art and accounting. And we all know where his UIL accounting experience landed him, right here with us at OCP!

In college, he participated in competitive recreational flag football and his team won a lot of regional and interstate competitions. When Davey is not at work, he enjoys watching sports. He is a big Dallas Mavericks and Cowboys fan. He loves being outside and getting in touch with nature. Davey

is also an avid artist who likes to sculpt and sketch.

A lot of our members have talked with Davey to help them with their storage questions and extended

stay payments. Davey works well with the accounting department here at OCP. He and the rest of the team do a great job at keeping the financials in perfect working order, ensuring that everything flows smoothly. He also stays in close communication with the gates at all the different resorts helping them with billing and storage.

Davey's favorite part of his job here at OCP is figuring out how to make things easier and better for the company. He also likes to foresee future problems and head them off before they occur. He is a problem solver. Ocean Canyon Properties is lucky to have Davey as a part of their team. He is dedicated and professional, always adding to the growth and well-oiled machine that is Ocean Canyon Properties accounting department.

"Brilliant - His mind works through every detail of every aspect of every possible scenario." ~Aleta Hall

"Cheerful - Davey wears a smile and has gentle words for every aspect of his demanding day." ~Annette Perry

"Dedicated - Davey takes active ownership in his role and strives to think outside of the box and look for ways to help improve processes to make them more efficient. This is very important to our department running efficiently and smoothly. Davey is a "self-starter" and I can always count on him to get his tasks done and meet deadlines which is a crucial component for us to deliver timely and accurate financial information." ~Charla Campbell

OCP on Your Side

OCP would like to thank you for the opportunity to service all of your membership and camping needs. We look forward to seeing each and every one of you as you arrive at one of our many resorts, and strive to make every stay memorable for you and your family.

OCP extends a tremendous amount of gratitude to all of our members and would like to let all of our members know that they can call our Member Services Department at 888-567-5941 to answer any question you have about your Membership.

It has come to our attention that some of our members have been contacted by Timeshare Resale Companies. Ocean Canyon is not a Timeshare. If someone from a Timeshare Resale Company contacts you about your membership, simply hang up and call OCP Member Services.

Is Ocean Canyon a Timeshare

With 20 million RV'ers traveling the American roads this year alone, private campgrounds are a great option. Private campgrounds provide a great place for families to escape the daily grind and create countless family memories.

A common question that we are asked is whether Ocean Canyon Properties is a company that sells timeshares. The answer is "NO." Ocean Canyon offers private membership camping and amenities at our group of resorts. In contrast, a traditional timeshare makes you purchase points for access to or increase the usage of their locations. Different locations and different days of the year will cost a different amount of points. Most people with timeshares receive one week per year with their points, which can only be used during a designated period of the year. We do none of that.

Ocean Canyon members get much, much more than a week. We are more like a country club for RV'ers. With your membership, you have access to our resorts and amenities not offered to non-members. Many members use their membership as a vacation home, they come and relax by the lake, have fun with the friends they make at the resort, and escape from the everyday stress.

We have found that having a quiet, safe place to stay is a priority when it comes to RV'ing. Ocean Canyon offers RV'ers a place where they can meet other RV'ers and build friendships, travel together, and camp next to people they know and trust. They need a place where the kids are safe to play, ride their bikes, and just be kids.

With Ocean Canyon's private campgrounds, our members can visit our resort for just a few days, or a few weeks for longer stays, enjoy time off from work, and then return several more times throughout the year – without purchasing additional points! Our campgrounds are great for people who want to get out and use their RV. And we provide a better, cleaner, and safer experience than most public RV campgrounds.

Knowing that you can have a nice, quiet place when you go camping; knowing that you are camping with other members next to you; knowing that you can get some good rest while you are detoxing from your week of work, is what we expect you will experience at our private resorts.

Styx River

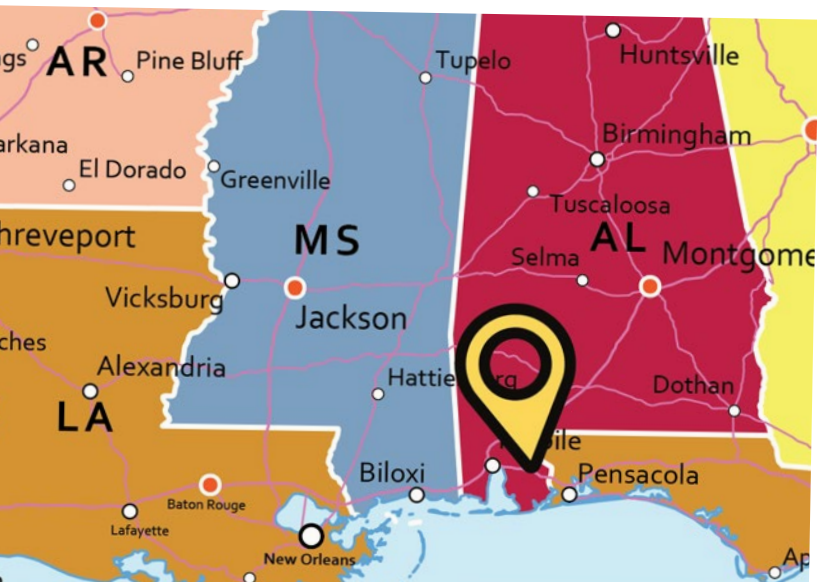

25301 Waterworld Rd., Robertsdale, AL 36567

What an incredible year it's been at Styx River. We have been enjoying potlucks with good food and fellowship with friends and family. Our "Movies and Popcorn" events have been a great time for the whole family to enjoy. We've been showing off our singing skills during Karaoke. The Fall weather has brought with it an array of colors throughout the trees that we have been enjoying on our nature walks.

This last year was a great year filled with tons of fun activities and events. In January we got our boogie on during the 70's Disco Dance Party. In

February we enjoyed a series of Minute to Win it Games. April brought out our competitive side with Game Show Weekend. We also enjoyed our Glow Party in April with glow face painting. We enjoyed a good mystery in September with our "Who-Dun-It" Weekend. October brought our "Halloween Fun" Weekend with trick-or-treating, costume contests, and pumpkin decorating.

We are looking forward to 2020 and all the activities that we have planned. In January we'll be enjoying "Human Candy Land Games" Weekend. Bring your sweetheart out to the resort in February for our "Sweetheart Dance". Come beat the heat with us in June with our "Water World" Weekend. In October we'll enjoy different cultures with our "Around the World in 48 Hours." Bring your holiday spirit with you in December for our "Christmas Carols" and "Cookie Swap" Weekend.

We are continuing to make a lot of improvements around the resort. We are renovating the clubhouse so that it will be more modern and up to date. We are also making improvements to the roof of the laundry room and restaurant. We are also improving our utilities to better accommodate our guests. You will love our improvements!

Texoma Shores

16022 Cumberland Cove Rd., Madill, OK 73446

2019 has been a great year for Texoma Shores. The biggest change this year is that we have two new managers, John Waugh & Michelle Spicher. If these two look familiar to you, it's because they were great employees at Styx River. They arrived at the park in October and hit the ground running. With a fresh set of eyes, they are really making the park look great.

This year, we saw families leave the hustle and bustle of life and just spend time together. We saw kids swimming off our beach, guys pulling in 10 lb. bass, and families getting too loud over a game of checkers. There clearly

is no better way to detox from a week of work.

If you haven't seen the night sky at Texoma Shores, you are missing a spectacular work of art. The location is perfect. Right off the lake but just far enough out of town that the whole Milky Way is on display. The sun rises just over the lake painting the sky with a full range of colors. This is something not all our resorts have.

These next few months, we are rebuilding our docks for you and your families to enjoy fishing from. We are also making some utility upgrades and improvements on the hiking trails around the park. Improvements are important to us to make sure that our members are having the very best time.

-Hal B.

"We love this place wish they would add more."-Chas W.

"Very nice campground to get away from it all. Very scenic views and great access to fishing."-Bill S.

"Stayed for a whole week and had a great time. Cabins located just off the water, with easy access to the water.

Nice sandy swim area. The kids loved it!"-Shyla T.

Tres Rios

2322 County Road 312, Glen Rose, TX 76043

We've enjoyed a great 2019 here at Tres Rios. Members have been enjoying the brisk morning air with our exercise walks and warming up inside with our adult cooking classes. Taco Tuesday's are a big hit for delicious food and fellowship. We are making holiday crafts, from pinecone bird feeders to outdoor candy cane decorations.

The past year has been packed with a lot of great times. In March we took to the battlefield with our "Nerf War" Weekend. July brought our "My Grass is Blue" Weekend with some great music and fellowship. Elvis came

to visit in September during our "Blue Hawaii" Weekend. We started the holiday cheer with Santa and Smore's during our "Christmas Magic" Weekend in December.

There are lots of exciting things coming up in 2020. Come enjoy our Wintery Weekend in January with baking, crafting, and cozying up for a movie or two. In March we'll be kicking off camping season with two full weeks of crafts, movies, and children's activities during our "Camp Spring Break." Bring the whole family out in May to participate in our "Family Olympics" where there will be fun, games, and prizes. "Celebrate Texas" Weekend in August with a poolside cook out, crafts, old-fashioned games, and remote-control car races. In November we'll get the holiday season started during our "Holiday Cheer" Weekend with movies, baking, and crafting.

In 2019, Cabin 19 has been remodeled with new lights, furniture, and beds. We have put new floors in a few of our cabins and the laundry room has a new roof. We have also built new fences around the park. In 2020 we are looking forward to remodeling our bath house. We will also be putting some new floors in our cabins and painting the inside of the cabins. Next year is going to be another exciting year.
