Abita Springs

24150 HWY 435, Abita Springs, LA 70420

Abita Springs is beginning to clear out the parade routes left over from Mardi Gras. The park will slow down just for a few weeks, then Spring Break will soon send families back our direction. We are enjoying the quietness of the park, reading a book, and spending some time playing games with friends. Heather and Clint are keeping us entertained all week long with Friday night bingo and Canvas Creations. Now is a great time to come, relax, and join in on the fun!

We have a lot of fun planned for this Spring. At the end of March, we have our annual Abita Springs Whole Town Garage Sale Weekend as well as the Busker Festival with lots of great music and food. With the entire city of Abita Springs joining in on the fun, you are sure to find some new treasure! In April, don't miss

our Easter Celebration featuring, none other than, the Easter Bunny himself! Be sure to bring your sombrero to help kick off May for our Cinco De Mayo Fiesta! It is going to be so much fun!

This past Christmas Season was fantastic! The clubhouse was decorated beautifully and filled with the laughs of families who had gathered around. We danced into the New Year with an awesome DJ and lots of laughs! Needless to say, we started 2020 off with a bang!

We are in the midst of making some resort-wide improvements. The new clubhouse floor is complete and has a nice, fresh coat of paint. It looks amazing! Also, two of the cottages are sporting new decks and we are undertaking a huge renovation around the pool, as well. In addition, paint is flying around the resort, as you will notice a new color on many different projects. A huge thank you to our members who, so generously, donated 90 pounds of food to the Northshore Foodbank, which helped to feed so many families that were in need. OCP members truly are the best!

Buddy and Rachel Plummer are Ocean Canyon Property members. On September 2nd 2018, in lot 101 at Tres Rios RV Resort, their daughter Mandy's fairytale began. Mandy met John Paul online about 7 years ago. He lived in Ireland, and she lived in Texas, so they were afraid that their love story could never possibly unfold. Eventually, she decided to go to the beautiful Emerald Isle to meet John Paul and his family. Mandy knew immediately that John Paul was the one and that she wanted to spend the rest of her life with him. Obviously, he felt the same way about her!

Mandy's parents had been wanting to buy an RV for years. They had just purchased one on this fateful September day and were set up in lot 101 at Tres Rios. John Paul had

just come to America to meet Mandy's family, who were all camping at Tres Rios. Mandy had told John Paul that in order to ask for her hand in marriage, he would have to get the OK from her Dad first. She thought that John Paul was going to ask her Father while they were camping, but what she didn't know, was that he had already asked Mr. Plummer over the phone, months before. John Paul had already gotten the go ahead from Mandy's Dad. So, on September 2nd, 2018 in lot 101 at Tres Rios, John Paul surprised Mandy by getting down on one knee and proposing to her. Of course, she said YES!

There was a band playing on the park that night and love was in the air! According to Mandy, her Dad is always the loudest man in the room and within minutes, everyone in the park knew that his baby girl was getting married. A celebration was had by all!

Tres Rios is now one of Buddy Plummer's favorite spots!

John Paul and Mandy are now living out their love story in Ireland, where they had a beautiful wedding last Summer. Buddy and Rachel are still enjoying being Ocean Canyon Members and love their time spent here at Tres Rios, where families get together and beautiful memories are made.

It's great to see our team gearing back into shape as our park begins to open. The cold is lingering which means that the air is filled with the smell of campfires, hotdogs, and hot chocolate. Last year's leaves are gone and we are beginning to see the new ones spring back.

We had a fantastic 2019 here on the Ridge! Our last big event before hugging our goodbyes was the Thanksgiving Feast. We enjoyed wonderful food and fellowship with some amazing people. In October, we celebrated the changing of the season with Fall Colors Weekend, where members bobbed for apples and enjoyed making fall crafts that adorned their surroundings. Families gathered to spend quality time together playing billiards pool and competitive ladder golf games.

In addition, members enjoyed roaring campfires, where they made and enjoyed eating the best smore's. Karaoke and Live Blue Grass Music could be heard from every corner of the resort, and children and adults alike were found in the midst of water balloon fights and board games.

We are gearing up for Easter as our first big event in 2020. We are excited about the Easter Bunny arriving to participate in the big Easter Egg Hunt, and of course, the Sunrise Service, so that we can remember what Easter is really all about. In May, you will not want to miss our Memorial Day Celebration. We have a huge feast prepared, live music, a bounce house, and plenty of games for the kids of all ages to enjoy.

This winter, we have worked hard on getting everything in tip-top shape. We have repainted a few places around the park including the pools. We have also replaced a few roofs and have added a few other updates around as well. Come and see us soon at the Ridge!

We have been busy at Hideaway Ponds! We just put away our Mardi Gras celebration where decorations of purple and green could be seen from every corner of the resort. Spring is in the air and the flowers are starting to bloom and pop up everywhere.

We hope you are ready for Pie Weekend. This March we are gearing up for our annual pie contest where members can bring the best pie, whether it's a dessert, or a shepherd's pie, or any other variation. Easter will be upon us in April and we can't wait for Peter Cotton Tail to hop on down the bunny trail and arrive at Hideaway Ponds. Seeing the children's faces light up with delight upon the arrival of Peter is priceless. In May, you won't want to miss the big Memorial Day Celebration where we will be honoring those who

served our Country.

You could hear everyone cheering on the LSU Tigers as we celebrated at the resort with a tailgate party to end all parties! The excitement had everybody on the edge! The "Magic Man", Eldon Shaw impressed young and old alike with his magic tricks. Last Winter, our members, and staff made baked goods and sent them in care packages to active Military in Afghanistan. And we were blessed to gather gifts for Toys for Tots to send to the less fortunate children in our community.

Recently, we have made some upgrades to our clubhouse and installed new doors. You will love the improvements. Our goal is to make the resort feel more like home to you, so come on out and see what we've done!

Millwood Landing

Spring has arrived and the beautiful flowers are starting to bloom here at Millwood Landing. If you have never experienced Spring in Southwest Arkansas, you are truly missing out! It is absolutely breathtaking! Millwood Landing is nestled right next to the beautiful Millwood Lake, where you will find some of the best fishing in the area. After you become tired of reeling in all of those big fish that you catch, you can hop onto the gorgeous 18-hole golf course and swing until your heart is content. You will never get tired of looking at all of the beautiful trees and scenery that this part of Arkansas has to offer.

We have been working on a lot of improvements to make the park more

beautiful and appealing to the eyes. We are always looking for things that we can upgrade and improve upon. We are currently in the process of making some renovations to the pavilion so that you and your family will have a nice place to congregate and fellowship with one another while you are here. It is a great place to fry up, and eat the catch of the day! We will also be installing a few coin-operated laundry facilities to make it more convenient for you and to offer you a nicer place to wash your clothes.

Our Manager, Amanda Bass, has put together a wonderful team of employees that keep the grounds and everything on them in tip-top shape at all times. You will love her and her team! Anything that you ever need, they will bend over backward to accommodate you. Their goal is to make sure you feel at home. We can assure you that you will love your time spent at Millwood Landing!

OCP SPOTLIGHT

Terri Hardy

If you have been to the front gate at Styx River, you have surely met Terri Hardy! Her smiling face is the first point of contact for all of our members and guests at Styx River and they absolutely love her! She has been with Ocean Canyon for 7 years and is a very appreciated and outstanding employee who goes above and beyond for the company. She is described by those who know her best as a hard worker who is honest, dependable and friendly with a positive attitude and a great personality!

Terri grew up and graduated from High School in Decatur Alabama. She and her husband Justin have been happily married for 23 years. They have two grown sons, Chase and J. T. When asked if she had any grandchildren, her answer was "unfortunately, not yet." Before coming to work for Ocean Canyon, Terri lived in Nashville and worked in records management for a credit union. She also spent some time waiting tables in a restaurant.

Terri's favorite part of her job is getting to interact with the members and her co-workers. She says that it is just like having a second family. She loves what she does and it shows in her work. When she is not at work, Terri can probably be found reading a book or watching something

on the ID channel. If the weather is nice, you will probably find Terri and her husband at the beach. They enjoy going to all of the festivals that they can possibly attend. Hawaii

was her farthest and most beautiful trip though. The beach is what makes her the happiest and most full of joy. Terri loves spending time with her two fur babies! She has a 7-year-old cat named Mia and a 7-year-old dog named Weezy.

Something that you might not know about Terri is that her Daddy played in a band with Johnny Cash in his younger days and Johnny and his wife, June Carter Cash came to Decatur to see her Daddy once and Terri got to meet them. Wow! Who wouldn't be a little envious of that?

Everyone who works with Terri here at OCP will tell you that she is a great asset to Styx River and that things run a lot more smoothly because she is there. She is a hard

worker who is dedicated to her job and to the company! She is loved by all who cross her path.

She's a very hard worker, honest, dependable and friendly. She is so much help to me, I can always count on her. She's fun to be around, has a positive attitude and a great personality. A great asset to Styx!" ~Sheryl

"She's very kind. She goes out of the way to help anyone at the resort. She's always on time and a great teammate to the entire resort." ~Mickey

"You could not ask for a better person to work with than Terri! We work so well together." ~Debbie

"One of the first people you encounter as you enter into Styx Resort is a welcoming, friendly lady named Terri Hardy. Her gentle smile makes you feel like you have come home! Any questions you may have, any information or advice that she gives, you can be assured that it is correct and complete." ~Danette

Chewy Oatmeal Cookies

Ingredients

3 cups of old fashioned oatmeal	1 teaspoon of cinnamon
1.5 cups of all purpose flour	3/4 cup of brown sugar
3/4 teaspoon salt	1/2 cup of white sugar
1 stick unsalted butter	1 egg and 1 egg yolk
1/2 cup of vegetable oil	1 teaspoon of vanilla
	1 cup of raisins
	1/2 teaspoon of baking soda

Directions

Preheat oven to 375 degrees and line cookie sheets with parchment paper.

In a small bowl, whisk together flour, salt, and baking soda. Set aside.

In a saucepan or small skillet, melt and lightly brown the butter on medium heat, for about 2 minutes, pour into a larger bowl.

To the batter, add cinnamon, oil, sugars, and stir.

Add the egg, the egg yolk, and vanilla, stir well.

Now, add the flour mixture to the butter mixture, this is a stiff dough. Add the oats and the raisins, mix well.

Use a 3 tablespoon cookie scoop and place evenly on a parchment lined cookie sheet, about 2 inches apart. (About 5 to 6 per cookie sheet)

With damp fingers, press the cookie dough into about 2 ½ inches in diameter.

Bake 1 pan at a time for about 10 minutes, rotating the pan halfway through for even browning.

Leave cookies on cookie sheet about 2 minutes, then transfer and cool completely on a wire rack.

Mountain Lakes

1345 Murphy Hill Road, Langston, AL 35755

The staff are gearing up for another busy season here. People are catching the early Spring sunsets, kids are bringing out their bikes, and the winter chill is about to be gone as the fishermen are beginning to hit the lake again.

We ended 2019 with a bang. We enjoyed a potluck Thanksgiving dinner. It is our favorite Thanksgiving tradition to open our resort and share a great homemade meal with all the family members. Too much was eaten by all, and stomachs were full and happy when we left. At Christmas, we ate again, this time a wonderful spread that was provided by the resort. Laughter filled the clubhouse as everyone participated in the Dirty Santa party. If you did not attend our Car Show in October, you really missed out! We had a great number of classic cars open on display, bounce houses, and a dunking booth. We held in honor of Breast Cancer Awareness and took up

donations for the homeless in our community.

This Spring is jam-packed with events that it's hard to choose which ones you will want to be a part of. In March, we have a St. Patrick's Weekend Party as well as a Spring Break Weekend! We are ready for Easter and all of the fun that comes along with it. We're excited for the children to find dozens of eggs as they squeal with delight. In May, we honor the men and women, who so bravely served our country, at our huge Memorial Day Blowout, with live music, games, and more.

We have made a lot of improvements here at Mountain Lakes already, with more in the works! We are upgrading the roads and sites, repairing flooring in some of the cabins, and putting new furniture in the cottages, just to name a few. We can't wait for you to see what all we have done, so don't hesitate, plan your stay today!

Styx River

The year is off to the right start here at Styx River. Friday Night Family Bingo is a big hit with all ages. Currently, we are also in the midst of our Mardi Gras Masquerade Ball. There is a lot of fun being had at Styx River right now!

We enjoyed the feasts we've had together during Thanksgiving and Christmas. Wonderful food and fellowship were enjoyed by all. We rang the New Year in with our Roaring 20's Party where wearing your flapper dress was a must! Then we put our dancing shoes on again and boogied into a Very Groovy 70's Dance Party.

We can't wait for the upcoming events that we have planned this Spring. In

March, we will be turning green during our St. Patrick's Day Celebration. Bring your Hippie to our 60's Disco later in the month. In April, don't miss our glow party or our Easter Weekend. Both will be full of games, food, and fun. We have a special Mother's Day event and a huge Memorial Day Weekend planned in May. This Spring will be so much fun!

We have been busy making some updates and improvements around the resort. We painted the inside of the clubhouse, added a new roof to the restaurant and attached breezeway, made improvements to the WiFi and are currently remodeling several of the cabins.

Texoma Shores

16022 Cumberland Cove Rd., Madill, OK 73446

Spring is in the air here at Texoma Shores. We are still enjoying the fruits of our two new resort managers' labors. John Waugh and Michelle Spicher joined us here at Texoma Shores in October. They have hit the ground running and done a fantastic job getting the park into shape and making everything run smoothly. We are excited to have them at Texoma Shores.

If you and your family are wanting to get away from everything and leave all of your stress behind, this is the place for you. It is one of the most beautiful places that you will ever see. The sunsets and sunrises will leave you in awe. The fishing is fantastic, especially if you enjoy catching 10 lb. bass! There is a swimming beach that keeps the kids entertained for hour

upon hour. You can hear their squeals of fun and merriment from all around.

The night sky at Texoma Shores is a sight to behold! The whole Milky Way is on display and the colors of the sky look as if they could have been painted by Van Gogh. You won't want to miss the beauty above you at this resort.

When looking around, you will notice lots of improvements. We are rebuilding the docks and making them nicer for you and your family to fish from. We are also making some utility upgrades and improvements on the hiking trails around the park. Improvements are of the utmost importance to us because we want you and your family to love what you see and to make beautiful memories together while you are here with us.

Tres Rios

2322 County Road 312, Glen Rose, TX 76043

As Winter bodes a final farewell, Spring is approaching with warmer weather. We can start to see the flowers popping up and the leaves fill the trees. It is absolutely perfect!

This last winter was full of family memories. We had a magical Christmas celebration that lasted for two weeks. Santa brought Frosty the Snowman with him. Seeing the children's faces light up with the excitement of getting to meet them was absolutely priceless. The kids had a blast decorating Christmas Cookies, then gobbling them up in delight. As we brought in the New Year, we knew that this year is going to be full of fun!

We are kicking off our two full weeks of Spring Break here at Tres Rios.

The smell of popcorn and children's laughter can be heard from all around as the kids enjoy movies, crafts, and lots of fun activities. Easter is right around the corner and there have already been sightings of the Easter Bunny popping his head around a corner or two. You won't want to miss the Memorial Day Celebration where there will be games, face painting, live music, and so much more to honor those who so bravely served our Country.

We have made a lot of improvements around the park that we think you are sure to enjoy. Next time you need a cabin for 13, check out the updates at the Horsestall Cabin. What a great touch. Cabin 1 has been totally remodeled with new floors, paint, and furniture. The bathhouse was also remodeled, as well as Cabin 17. We hope you enjoy all of the nice changes that we have made here at Tres Rios, so pack a bag and come have some Texas fun!
