# ABITA SPRINGS

24150 HWY 435, ABITA SPRINGS, LA 70420

We're kicking off 2022 with a splash! Our pools are open and ready for your camping pleasure, along with lots of fun activities for some fun in the sun. March started off with a great 50's Weekend and our St. Patrick's Day Celebration was filled with fun, dancing, and crafts. The fresh spring air made for the perfect afternoons. We welcomed many faces, both new and old, during spring break in April. And we were able to show them a great time with all the activities that were held with several celebrations throughout spring.

The team worked hard around the resort for the past few months completing many revamp projects. We have a

fresh coat of paint on the main clubhouse. We put on new roofs over the cabins. And we've replaced many of the picnic tables around the resort.

Now summer is here and it's the perfect time to enjoy and participate in the several fun and exciting activities at the resort. Enjoy scavenger hunts, games for the whole family like cornhole and volleyball, and craft activities for both kids and adults. Come join us for our "Summer Fun in the Sun" event and cool off with fun games and delicious treats. And, you definitely don't want to miss our "Abita's Got Talent" show. There are bound to be some fantastic contestants this year! So, grab your kids, pack your bags, and bring plenty

of sunscreen because you are not going to want to miss out on anything that we have planned!

# CELEBRATING MICKEY

Mickey was a go-getter since the day he was born. Right out of high school he started his own company, K & M Electric. Mickey was in business for 20 years when he met Randy Owen, the lead singer for Alabama, who was in need of an extra hand on his farm. So Mickey sold his business and started working for him. With 25 years of electrical and ranch experience, Jean McCrady found him to be a perfect fit for him to come work on an RV Resort. She finally talked him into becoming the Mountain Lakes resort manager in 2008.

When Mike and Peter started providing sales and marketing services to Ms. McCrady, they met Mickey. A friendship was born that was strong and unique. Mike and Peter realized the expertise Mickey had with handling operations at Mountain Lakes and asked him to stay on when they bought the resort in 2011. Soon Mickey was helping with all the other OCP resorts.

“Mickey always seemed to have a solution to keep everyone happy. I am not sure that Mike and I were always happy about some of his solutions, but we soon decided that ‘Mickey Knows Best.’ It was Mickey’s special gift of keeping our members and employees happy that led me to start calling him ‘The Mayor of Mountain Lakes.’ He always had a big smile whenever I referred to him as Mayor.”  
~Peter Graffman

We loved his sense of humor. He made us laugh, even in a tough situation! Mickey loved working with everyone at OCP along with spending time with the members. Everyone knew he was always there for them. He contributed so much to OCP’s success that we wouldn’t be able to list it all here, but the staff always appreciated his hard work and dedication.

“Mickey poured his heart and soul into his work. He truly loved his family and Ocean Canyon Properties. When dealing with Mickey these last 11 years, he was straight up, witty, and always spoke his mind: very loyal and a heart of gold.” ~ Sheraye Cox

Over the years that Mickey worked at OCP, he built many relationships and we couldn’t highlight all of them. One of his most special relationships was with Renea. The two of them were in tune with each other even if they didn’t agree on something. They made a dynamite pair that benefitted OCP in numerous ways. Both said they were “brother and sister” and their bond was that strong.

“He was a very loyal friend and mentor to me. He will be missed.” ~Renea Daley

“People have thought I might be mad at God...lord no. The Lord’s been good to me. I know where I’m goin’ when this is over, I got a house to come to where Mama will cook for me and do anything I ask her to. Well, Chubby and Rex would too. I got a son that I’m proud of, a healthy grand baby, and friends...lord, I got friends all over this country that I could call and they would come if I needed ‘em. Yeah, the Lord has been real good to me.” ~Mickey Murdock

# BRANSON RIDGE

**5040 HWY 265, BRANSON, MO 65616**

**T**hings are getting exciting at Branson Ridge this summer! We've already had a fantastic start to the year with some wonderful faces and even more wonderful memories. We are loving the cool summer nights for now. We certainly hope to keep those smiles big all summer long.

Last spring, we also had our first ever Chili Cook-Off and Spaghetti Cook-Off. The smells of these great comfort foods filled the park and left folks with a lot of full bellies. Spring break was an incredible time, right after the resort opened back up for the season, allowing us to welcome plenty of campers. "We Love our Mothers Weekend" gave us a chance to show our mothers how much they mean to us.

We are excited to introduce our two new resort managers. Michelle Spicher and John Waugh have moved from our sister resort, Texoma Shores, to continue the improvements we have made at the resort. The staff have had their hands full with the many new remodels and redesigns that have taken place since January. We've brought in new furniture for the motel. We have brought in gravel and leveled out several new sites. We've remodeled the café and have brought on a new head cook. Branson Ridge seems like a whole new place, with the same excitement and charm.

The resort is packed with many fun activities for the summertime. We're kicking things off in June by showing our appreciation to our fathers and grand-

parents with our "We Love our Dads Weekend" and "Grandparents Day." July has a lot of fun for the whole family, including "Branson's Got Talent" where you can show us what you got and dress the kids and the pets up for our "Disney Fairytale Weekend". Round out the summer with our "Back to School Bash" for the young ones and we'll have one more chance for our campers to show off their cooking with our "Crock-pot Cook Off."

We're so excited to welcome all our friends back. We are dedicated to making sure your stay is the best it can possibly be and that you have a fantastic time while you're out here. So, get packing and start planning your trip soon. You won't want to miss out on any of the fun!

# HIDEAWAY PONDS

6367 BAYOU BLACK DRIVE, GIBSON, LA 70356

**W**ith summer rolling in and spring being left behind, the resort staff at Hideaway Ponds have banded together to make this season the most memorable one yet. We are so proud of them for all the hard work they have accomplished over the last several months! We can't wait to show off what they have done.

We had so much fun these past few months at the resort. Our "Cajun Heritage Weekend" was a blast, and we were honored to be able to share that experience with our members. Our "Jambalaya Cook-Off" in April filled our noses with the wonderful smells of southern cooking, with plenty of delicious entries to choose from. We ended April on a high note with our "Game Show Weekend" and followed closely with our "Mother's Day Weekend" at the start of May. We are rounding out the springtime with our "Memorial Day Weekend", filled with games and activities for the whole family, delicious food, and, most importantly, fun.

You won't want to miss out on any of the amazing activities and events we

have planned for this summer! June features our celebration to all our fathers with our "Let's go Fishing" Father's Day weekend. Bring your dad and a fishing pole and come enjoy a relaxing time at the lake and catch a big one while you're at it. After our Independence Day celebration in July, the staff are having an all-out "Pool Party Weekend" and "Candy Land Weekend" to keep things spiced up for the early summertime. In August, we give the kids one last chance to have a blast before school starts back with the "Back to School Weekend", full of fun just for the little ones. We plan on rounding out the summer months with our "Member Appreciation Weekend" to show our love to all our members, both old and new, and make sure they know they are appreciated.

We want to welcome you to come and have a good time all during the summer of 2022. We plan on making your stay twice as nice with friends and family. We can't wait to see you roll in and join us for some summertime fun.

# CAROL GUY

## EMPLOYEE SPOTLIGHT

Carol Guy is an essential part of everyday life here at Tres Rios Resort. She is a jack of all trades, putting the skills and knowledge she has to use to keep our campers happy and informed about all of our activities and other things to do here at Tres Rios.

Carol started working with Ocean Canyon around 3 years ago, beginning as a housekeeper until a position came open for our front desk. She brought with her a go-getter, team player attitude and quickly branched out from the front desk to become an all-around asset. She took on the register and assisted with order taking at our restaurant here at Tres Rios, she helped with the activities offered, taught a cooking class, and even made crafts. From picking weeds all the way to escorting our campers to their sites there is nothing that Carol can't or hasn't done.

Carol loves getting to meet new people here at the resort and being able to converse with them about their lives and travels. As a fellow lover of traveling, exchanging stories with new people is a great joy to Carol. She is always willing to help out whether it be a guest or fellow employee and she is always up for new challenges. She is very

family oriented, with two daughters. Her granddaughter, Taylor, is the apple of her eye and her pride with a heart of gold and a willingness to help anyone who needs it.

She knows all the ins and outs of the resort and knows just what to recommend to our campers to ensure they can enjoy all we have to offer. She says she always starts by letting our campers know about our onsite restaurant and the delicious meals available there. She lets them in on the local fishing in the river that is always a hit for guests of all ages. She even gives our campers some offsite options for a good time as well, such as the Fossil Rim, the local drive through wildlife park, and Dinosaur Valley, where campers can see dinosaur footprints in the river.

She brings with her 35 years of experience as a legal secretary specializing in real estate and mortgage banking. She has handled real estate investment purchasing and has authored many articles published in the Real Estate Mortgage Magazine. While not showing off her many talents at work, Carol enjoys spending her time raising horses. She has raised many cutting horses who have gone on to compete and excel from her loving guidance. She also enjoys raising miniature horses for her granddaughter, some of which have gone on to become therapy horses.

We asked Carol what she likes most about her job working for Ocean Canyon and she told us that it was meeting many people from different walks of life. She says being able to share life stories with so many people makes her feel that at Tres Rios, everyone is more like family and that it is a place where lifelong friendships can begin.

OCP is certainly lucky and excited to be able to work with her!

Summer is blowing into Millwood Landing on a warm breeze. We are excited for hot sunny days and cool dips in the pool. Our members are sure to have a great time visiting us this season making great camping memories with family and friends.

Spring brought us many happy campers and upgrades to the park. The golf course has been teeming with golfers ready to take advantage of the warm weather and improving course conditions. Our Millwood Country Club has become a great spot to enjoy a fantastic meal and cold beverage after enjoying a round of golf. This newly renovated space includes all new kitchen equipment, new interior furnishings, and fresh paint. Try our chicken sandwich for lunch or skip the cooking for breakfast and enjoy some eggs and bacon. We have also opened our pro-shop for all your tee-time needs including clubs, clothing, hats, balls, tees, and golf bags! The swimming pool has been newly renovated with all new skimmers, plaster, and replaced tiles. It's a great spot to beat the heat or work on your tan!

We aren't slowing down on the renovations this summer! We will be repairing the safety railing on the golf course bridge and planting new flowers around the grounds. Half of our practice green will be converted into a Bermuda grass nursery. This will give us the sod we need to improve the greens and tee boxes. New sand bunkers are being developed around the greens as well.

Millwood Landing Golf and RV Resort is the perfect getaway for your summer vacation. Come see all the updates and renovations that our team has worked so hard on!

# MOUNTAIN LAKES

**1345 MURPHY HILL ROAD, LANGSTON, AL 35755**

Spring is behind us. Bust out the swimsuits and light up the grill. Summer has officially arrived at the resort. With the sun shining brightly over the lake, clear skies, and rising temperatures, we are more than prepared to make it the best summer we've ever had!

We were so thrilled to be able to open the Country Café back up and we have an amazing team running the place. Spring Break gave us the perfect opportunity to pause from the world of work and school and just enjoy the scenery, as well as some much-needed relaxation before the last few weeks of school hit us all. We had a blast on "April Fools Weekend," rolling on the floor laughing from all the silly jokes

and events at the resort. "Easter Weekend" and our "Paint Party" rounded out our spring events, showing us all the artistic talent that had come to the resort. May gave us the opportunity to celebrate our mothers and pets before having a great "Memorial Day Weekend".

This summer, why not join us in one of the many events we have planned like "Grandparents Day" and "We Love our Dads" Father's Day Weekend? We also have so many fun activities planned for in between, all leading up to a fantastic "Return to School Pool Party." August gives us an opportunity to throw our "Annual Luau" and keep that wonderful tradition going

while showing our members some fun in the heat of summer.

We have so much more planned for later this summer and continuing on into the fall and we cannot wait to share it with all of our members! Here's to a great summer!

25301 WATERWORLD ROAD, ROBERTSDALE, AL 36567

Summer is here and you know what that means? The kids are out of school and it's time to start planning for some summer fun. And no there's no better destination than Styx River RV Resort. Make sure the RV is gassed up and ready to roll. You're sure to enjoy it!

We had so much fun these last few months at the resort, and we were so happy to be able to share it with all those who attended. The Hobo Stew that we concocted was to die for and the resort really showed its beauty once spring hit with all the beautiful flora that came full bloom. Our "Roarin' on the River" and "Treasure Hunt Weekend" gave our campers a chance to go

on some extra adventures within their own adventures. The "Cinco de Mayo Bingo" event was the perfect way for our guests to enjoy a little relaxation while still having some fun. And who could forget our Funny Hat Show, with all the laughs and silliness that came with it?

The resort staff have also been busy with some upgrades to the resort. We've done a lot of remodeling to the indoor and the outdoor pools. We've done complete remodels on many of our cabins. And we've replaced many of the picnic tables throughout the park.

This summer, Styx River is packed to the brim with so many fun activities and games for everyone to enjoy! We're kicking off June with some Homemade Ice Cream and some "Game Show Fun", followed closely by our Father's Day celebration, "Fishing on the Pond." After our "4th of July Block Party," bring your furry friends and celebrate our "Pet Appreciation" week, where we show our love to all of our 4-legged boys and girls who have shown love to us. Don't miss the "Family Olympics", one of the resort's favorite events. We're rounding out the summer months with our Luau in August and our "Disney Weekend" in September, with plenty of fun activities and events in-between.

# TEXOMA SHORES

16022 CUMBERLAND COVE RD, MADILL, OK 73446

Late at night, you can hear the waves of the lake wash up over the shoreline. You can see the millions of stars across the night sky. You can cuddle a little closer around the campfire with your friends. Texoma Shores is a great place to go when you need a place to escape your busy work week.

The next time you are at Texoma Shores, welcome our new resort managers Lynn Burnham and Yvette McKenzie. They will be taking great care of our members and the resort. This last spring was busy for everyone at the park. We've continued work on the motel, getting them ready for an-

other season. Very soon the motel will be getting a new room. We have also added new picnic tables around the resort, added new sand at the beach, and updated a few of the recreational equipment we have outside.

In the next few months, we are going to continue to level out the sites and maintain the 1.5 miles of lake front walking trails.

If you have never been to Texoma Shores Resort, now is the time to go. The afternoons are cool enough to sit outside, read a book, or throw your line into one of Oklahoma's largest lakes. It's perfectly situated between the cordial town of Madill with local restau-

rants, antiques, and shopping, and Durango with the casinos and entertainment. But it's the endless horizons and the serenity of the lake that make Texoma Shores the perfect place to escape to. Come stay with us and enjoy the serenity that's impossible to find anywhere else.

# TRES RIOS

**2322 COUNTY ROAD 312, GLEN ROSE, TX 76043**

It's time to leave behind another year of school and welcome the beautiful rays of sunshine that comes with summer. Now is the perfect time to bring the whole family to the resort for some fishing, swimming, and grilling. Sink your feet into the grass, with a book in hand, friends nearby, and relaxing sounds of nature to wind down another week of work.

This spring left us with a lot of smiling faces. Spring break was such a great time for everyone to enjoy some downtime and experience what the resort had to offer. In April, we got to show off the natural elements around the resort with "Roarin' on the River" and our "Bloom and Buddies Weekend." After Easter, we taco'd our way

through the "Fiesta Weekend" and ended it with a delicious "Memorial Day BBQ."

Our staff have been working tirelessly to host these wonderful events and to make sure the resort is in top shape, as well as to give our members a great stay while they are there. There is work currently being done to upgrade our electric capacity on several rows, as well as upgrading the dog park for your furry companions to enjoy. We're ready to make sure you have a fantastic experience here at Tres Rios.

We have so much planned that is sure to make your summer memorable. With June quickly approaching, the resort is preparing to celebrate our dads in a big way with "Father's Day

Weekend," full of fun and food for the whole family, but mostly dad. Along with that, the resort is hosting "Pirate Weekends" throughout June and July. Bring the kids because there will be oceans of fun for them, as well as the adults. We have big plans for Independence Day, as well as our "Jurassic Weekend" in August, all leading to our massive "Celebrate Texas Weekend," where we hope to show the beauty and marvel of this great state, all from the comfort of your RV.
