We are expecting this next year to be full of excitement. We have so many plans and goals to achieve, and we can't wait to share them with you.

2023 was filled with swimsuits, cool waters, time together, holiday lights, and much laughter from friends as they played games and made memories. We got to know new people, who became our friends, through all the amazing activities that were planned.

Abita Springs was able to snag James Hattan from Tres Rios Resort. Before James came to work with us, he worked in manufacturing management. Many of these skills he picked up while he was enlisted in the Army in the bomb squad. He was stationed for a few years in Panama. Today, James is enjoying getting to know many of our members and traveling across the US with his wife. If you haven't had the chance to meet James, come stay a while and tell him "Hi!" and thank him for his service.

The next year of activities are going to be packed. Whether you want to lounge around the pool, read a book next to the campfire, or take a walk around the ponds with the kids, we will be ready for you. Keep an eye out for the monthly calendars. We will have crafts, and activities for the entire family, and everyone's favorite Bingo. Be sure to check out the monthly Activity Calendars to see what all we have going on.

We have been very busy this year at Abita Springs. We were busy fixing up the cabins and have completely remodeled several to give our guests a better nights sleep. Many projects are in the works for this next year to continue improving our resort. We have made the entrance into the park a bit easier to check in. We've also cleaned up the current walking trails and have started to bring back a few trails from the past.

Let's make 2024 another awesome year! We look forward to making more memories with all of you and your loved ones.

MEET JASON KING

In May 2022, we announced our new owners, American Adventure Holdings, had acquired Ocean Canyon Resorts. With this acquisition also came a

transition in our company leadership. When Mike Pournoury passed away, Peter Graffman stepped up and took the CEO torch, and while it was certainly tough to lose Mike, Ocean Canyon Resorts remained in a strong position having one of its best years in history. After such a strong year, Peter was confident going into the acquisition and knew the torch could again be passed so he could head into a much deserved retirement. Now, we are excited to introduce our new CEO, Jason King.

Jason is a seasoned executive with over a decade of leadership experience in the real estate industry. As an investor and developer specializing in membership RV parks, Jason has overseen the growth of Ocean Canyon Resorts over the last year and a half. Jason is also the third generation to build a career in the camping industry. Jason's grandfather,

John, started in 1977 with Thousand Trails and eventually owned resorts on the West coast. Jason grew up playing in and then working at campgrounds. Jason is honored to continue the company's mission of creating experiences where families can come together, spend time with each other and experience the great outdoors.

Jason's relationship with Mike Pournoury and Ocean Canyon Resorts spans years. Jason considered Mike very much a mentor of his and had an immense amount of respect for Mike and all that he accomplished with Ocean Canyon Resorts alongside Peter. Jason worked closely with Mike and Peter during American Adventure Holding's acquisition of Ocean Canyon Resorts. And when Mike passed away, he continued working with Peter to accomplish the successful acquisition. Jason is extremely grateful and proud to be the new CEO. He is passionate about investing in and growing this business, as well as improving the overall member experience.

Jason is married to his wife Ali, and they have 2 young children together, Lincoln and Lucas. During his leisure time, he is a novice pilot and an avid outdoorsman, enjoying things like bear hunting, bow hunting and fishing. Please help us to welcome Jason and make him feel at home here at Ocean Canyon Resorts.

We are excited about 2024! We are grateful for the opportunities we had this year, and we are ready to take on new ones. We are looking forward to growing, learning, and having fun together. We hope you are as excited as we are!

Branson Ridge is the perfect place to wrap up this 2023 year. Members are enjoying the shows and the shopping from the city. We always enjoy getting to spend time with our members from relaxing in the indoor pool to getting cozy by the fire roasting marshmallows. Whether you like to stay in with holiday shows here in the resort or make your way into Silver Dollar City for their annual "Christmas in Midtown" there is always something fun for everyone.

We are thankful for Resort Manager, Michelle Spicher. She started working for us as a housekeeper at Styx River Resort. A few years ago, her and John Waugh took on the position of resort manager at Texoma Shores. We were

able to see their dedication and hard work and were offered to take the resort manager's position at Branson. John continues to serve the resorts as Assistant Director of Resort Operations while Michelle is the Resort Manager. She works hard to keep the members happy and the resort running smooth.

This past year, all our units got new couches, we did some upgrades to the gazebos on each site, as well as updated all the signage throughout the park. We updated light fixtures around the resort and made updates to motel number 2 and number 3. Over the next year throughout 2024 we hope to continue our updates in Motel number 4 and number 5, as well as paint the bathhouses and update the landscaping and walking trails throughout the park.

Be sure to check out the monthly Activities Calendar to get the full scoop of what we will have going on! We are eagerly awaiting our next camping season and look forward to seeing all of you then!

We can't believe 2024 is right around the corner. We will be here, ready to help, as you travel the world, learn new skills, and meet new people. We are ready to embrace everything that next year brings. We are excited about the next year and confident it will be the best year ever.

Throughout this year of 2023, our staff has worked hard to make it amazing. We have done our best to give our members and guests a fun filled time with games for all our member family and new guests, we look forward to a full schedule of events and crafts.

If you haven't met our remarkable Resort Manager, Terry Lacoste, plan a trip and come meet him. Terry enlisted into the Coast Guard while he was still a senior in high school. While in the Coast Guard, he transferred to the US Marine Corps. During his 8 years, he served in Desert Storm, Iraq, Iran, California, Camp Lejeune, D.C. and even to the guard for President Clin-

ton. He's a great manager for the resort. Next time you see him, tell him "Hi!" and thank him for his service.

Our amazing staff members have been extra busy this year making improvements to our beautiful resort to make it an even better home away from home for our members and guests. Some of these improvements include repairing both our indoor and outdoor pools and replacing the furniture around the pool, adding new lights along the fences, and adding a new cottage for our bigger families to be as comfortable as possible when visiting.

We hope to make many more improvements over the next year including painting all the buildings and cottages, installing a bridge over our pond, installing new bench swings, and installing new lighting throughout the park. Make sure to keep an eye on all the exciting new changes!

We can't wait to see what 2024 will bring us and our members. And keep an eye out for our monthly Activity Calendars.

Our senior in high school is getting ready to move out. The college has been picked. The career has been chosen. And now we are entering into a

season of "lasts." Last Friday was the last time we got to see him march up and down the football field with the band.

As my children grow older, I've soon realized that so have I. We

Millwood Landing RV and Golf Resort beckons travelers with the promise of an unforgettable experience. From the stunning natural surroundings to the challenging golf course and a host of amenities, this resort provides a perfect escape for those seeking a harmonious blend of relaxation and recreation.

We have continued working hard to improve our golf course, not only for our members but also for our guests to have the best experience we can offer. We continue to make small improvements to our golf course making it better each day. We also made repairs to our swimming pool to keep it up and going for all to enjoy!

If you haven't met Suzanne Husmann, come out and let her know how good the resort is looking. Suzanne grew up less than a half mile from the resort. She used to swim in the pool as a child while her brother and cousins played golf. She's done everything from accounting, Emergency Medi-

cine, working in an ambulance and the ER, from public relations to HR. Recently, she moved back close to the resort to take care of family. She's excited to be at the resort to help with all the members and guests that pass through everyday.

We will be continuing to improve Millwood Landing over the next year to make sure it remains the best it can be to give our members a truly relaxing experience while they are here to visit. One of the major projects coming up is to completely redo many of our cabins to give them a fresh look!

We pride ourselves on the peacefulness and laidback atmosphere we provide here for anyone looking to just get away and relax. We have horseshoes and cornhole, fishing in ponds and lake, golfing, and we are a mile away from Millwood Lake where some of the best fishing is available. We look forward to seeing all of you in the spring as well as all the new guests and their families!

We are confident that the new year will bring all of us new blessings, great health, and many new friends. We are grateful for the new memories we got to help create last year and we are excited to create many new memories for 2024.

We have had an amazing 2023 here at Mountain Lakes Resort! It has truly been a joy to spend our time together with our members and guests enjoying campfires and smores along with all the events and crafts our staff works so hard to make sure everyone has a wonderful time with. We are happy to have had this time making memories with all our new and old friends and family.

If you haven't met our new resort manager, Halley Martin, we encourage you to swing by the front and meet her. She grew up nearby in Crossville and camped at Little Mountain Mariana with her family when she was young. She has worked as a Hematologist in the ER and Cardio ICU in Huntsville,

She bounced around as a military family across the U.S. until she landed in Maine during the pandemic. Through many of life's twists and turns, she has returned home. Next time you see Halley, we trust you will make her, and her family, feel right at home.

We have worked hard this year to improve the resort. We have kept busy getting our roads paved throughout the park. We have replaced all the sleeper sofas inside each of the cabins, cottages, lake homes, and condos within the resort. We have many plans for the resort's future, including some additional updates to some of our RV sites. Keep an eye out for all the great work being done during your next visit!

LaWayne and his team have tirelessly worked to plan some exciting events next year. You can join us for karaoke and crafts. We have many more activities planned so be sure to check our monthly Activities Calendar. We are so excited for this next year with everyone and are looking forward to the 2024 year!

Whether you are planning to travel the world, start a new project, or explore new roads, we will be here for it all. With the smell of campfires, and marshmallows that got a little too close, members are enjoying this relaxing season. Fathers are sharing their best scary stories while the kids are pretending that they haven't heard it before. Memories are in the making.

Over the last year, we have made many updates and renovations to the resort. Our staff worked hard to get lights strung above our putt-putt golf area to increase the time for fun. We have painted both the floor of the pavilion and the wall around the indoor pool. We are also in the process of having all cabins remodeled and updated. We will continue to work on all our cabins as well as begin to have our sites leveled up, removing trees and stumps, begin to remodel and update our bath-

houses, and add a new building for laundry facilities. We are so excited for what 2024 will bring!

As always, we are always working hard to have some exciting events to give our members and guests great memories and to allow our staff the opportunity to get to know everyone as well. We are so excited to bring in the new year here at Texoma Shores! 2023 was full of memories and mother nature, now we are looking forward to what 2024 will bring in for our members, guests, and staff!

Texoma Shores RV Resort on Lake Texoma is more than just a place to park your RV; it's a gateway to a world of natural beauty, recreational opportunities, and community spirit. Whether you're seeking a peaceful retreat, an adventure-filled vacation, or a place to connect with fellow travelers, Texoma Shores RV Resort offers an inviting haven that will leave you with cherished memories for years to come.

If you haven't met Lynn Burnham, he's worth the drive. Lynn started with Ocean Canyon in 2018. Working in maintenance, he was always the company's go-to handyman. When Mickey Murdock needed an extra hand, he would always grab Lynn. Because of Texoma's more remote location, it's

not easy to find such a capable person to run it. And when Texoma's manager position came available, there was no one else that could have better filled it than Lynn.

Staff here at Texoma Shores have been working tirelessly this past year around the resort. During 2023, we installed a new fishing dock and purchased a new lawn mower. Some other improvements made here at Texoma Shores are a new basketball hoop, volleyball net and tether ball for the children's play area.

For the coming year, 2024, we plan to re-grade the roads, trimming the overhanging trees around the park, and painting the cabins and other buildings to freshen up the resort for all our members and guests to enjoy.

Families will appreciate the family-friendly atmosphere at Texoma Shores. With spacious RV sites, playgrounds for children, and designated areas for group activities, the resort becomes a place where families can connect, create memories, and enjoy quality time together. We hope to see everyone in the new year!

★★★★★ "Me and my bestie came here for a weekend away from the city. We got the opportunity to rent a cabin and we were beyond excited when we got there. Lynn was waiting at the office when we showed up and explained all we needed to know about the cabin and the campgrounds. Wonderful place to get away for a weekend." ~Emily T.

★★★★★ "I'm almost afraid to leave a review about this hidden gem. Love it here. Very peaceful and quiet. The park manager Lynn went out of his way the other day I lost my prop on my boat. He contacted a local to see if he had a prop. We took boat up there unfortunately he didn't have what I needed but it was a great try from the park manager That is great service. Beautiful and well-maintained park." ~Douglas T.

Nestled in the heart of the picturesque town of Glen Rose, Texas, Tres Rios RV Resort beckons travelers with its serene landscapes, modern amenities, and a unique blend of natural beauty. Whether you're a seasoned RV enthusiast or a first-time adventurer, Tres Rios offers an unforgettable experience that combines relaxation and recreation.

During the past year here at Tres Rios, we have kept busy making our resort better than ever for all our members and guests. The crew here have upgraded the park models handicap ramp and several of our porches. We have placed new fences around some of the common areas with more fencing to come. We also had a major update to our Wi-Fi here this past year so that our members have an easier time staying connected while away from home.

We were excited when Dennis accepted the resort manager position late last year. He may be the new manag-

er but he's not new to the resort. Dennis started out as one of the best cooks we've had at the resort. Dennis grew up in the Granbury area, was heavily involved in track-and-field and was the only one who's thrown a perfect game on his baseball team. He was also a sportswriter and photographer for the newspaper. He has even logged over 1.75 million miles in a semi and has been in every continental state as well as Mexico and Canada. With this vast knowledge and experience, we are proud to have him on our team.

We are so excited for this year and all the exciting events we have planned for our members! We look forward to getting together with our members and guests and spending many spring nights around the campfire, roasting marshmallows, and making amazing memories! Our monthly activities calendars will have all our upcoming activities listed so be sure to check it out. You will not want to miss this 2024 year!

Reviews

★★★★★ "Very nice RV resort. Everyone is very friendly. A lot to do for kids and adults. Dog friendly which is a plus. Had a great time. I heard the fishing is great so will be going back to do that." ~Robin P.

★★★★★ "My favorite Happy Place. Always love spending time here! The activities for holiday weekends are an added bonus!" ~Loretta H.

★★★★★ "We like how we can walk 5 minutes from our RV spot and we're at the river. Plenty of activities for the kids to do. They had a live band and food on Halloween. Far away from the hwy so no road noises. GREAT PLACE!!! Glen Rose down the way about 3 miles. PLENTY of restaurants, antiques, and of course the dinosaurs, can't forget them just a few minutes' drive away" ~Dave D.
