# ABITA SPRINGS

24150 HWY 435, ABITA SPRINGS, LA 70420

We have had a lot of fun spending the summer with each other, but we are ready for those long-awaited breezes to return here at Abita Springs. Our staff are excited to make this autumn one to remember with plenty of exciting activities planned for all our guests!

But first, let's reminisce and think back to all the fun in the sun we had this summer. We enjoyed the savory smells of the grill while we celebrated our fathers in June with a summertime cookout. Our "4th of July Celebration" was also a sight to see! Our members competed to show off their wonderful talents in our "Abita's Got Talent" competition, and we were all treated to the fantastic show given by DJ Brad. We adored spending time with our members roasting marshmallows and making s'mores over the campfire during our "End of Summer Bash" and our "Back to School" events, with our karaoke and candy bingo, provided

our younger members with many new experiences they'll never forget.

Not only did our staff bring the fun this summer, they also did a wonderful job keeping up with the newest renovations to the resort. We have placed new roofs on each of our cabins to ensure the safety and tranquility of our members. We have also placed new picnic tables around the resort, giving our guests the perfect place to sit, relax, and enjoy the various events or to simply have a nice lunch with the family.

Now, looking ahead, we're excited to bring forth many fun fall activities and events that the whole family will make memories at together. We'll kick things off with the "Labor Day Weekend," which is loaded with fun games, activities, food, and so much more! The following weekend, we celebrate those grandmas and grandpas who helped us grow and taught us all their wisdom with our "Grandparents Day Celebra-

tion." At the end of September, we officially welcome Autumn to 2022 with an entire weekend dedicated to the season. Afterwards, in October, we honor the brave men and women who help us during the most uncertain times with our "First Responders Weekend." There's sure to be some mouthwatering meals prepared that you do not want to miss out on, during the "Dutch Oven Cook-Off" where staff compete to see who can make the best meal, within 4-8 hours. Then we'll finish up a spectacular fall with our "Halloween Festival" so start planning this year's costume and be sure to pack those big smiles!

The Abita Springs Resort is looking to make this Fall unforgettable, with tons of fun, food, and most of all, family. So, pack your bags, grab your keys to the camper, and plan your next trip to the resort now. It's an experience you won't want to miss out on!

It's been an exciting year so far here at Branson Ridge, and we're looking forward to keeping that momentum in the fall. We have so many fun and wonderful activities planned for the resort over the next few months, and are excited to help our members make memories that will last a lifetime.

Over the summer, the resort presented our guests with some fantastic activities for the whole family to enjoy. This is, in big part, thanks to the newest additions to the Branson Ridge family – our two new resort managers: Michelle Spicher and John Waugh. They've both done an excellent job keeping the resort up-to-date and making sure everyone is enjoying their experience to the fullest.

During June, we took the opportunity to celebrate those who have battled cancer with our "I'm a Survivor Weekend." We spent time enjoying our outdoor pavilion with a cookout and ended the celebration with an

outdoor movie for all of our guests. Even though July is in the middle of summer, it also means it's almost time to return to school, so we threw an amazing "Back to School Bash" for the kids. We also had our "Crock-Pot Cook Off," giving members a chance to show off their talent while sharing some delicious meals together. Our Christmas in July event was a wonderful time for guests with a potluck and a dance party for all! July wrapped up with a Disney Fairytale event where everyone enjoyed a relaxing tea party and even our four-legged friends joined to compete in a princess pet costume contest.

We're more than ready for autumn here at Branson Ridge, with so many exciting things planned for our guests. We're kicking things off with our "Celebrate Branson" weekend. We can't wait to show you why this city is such a wonderful place to visit! Afterwards, bring your dates and a bouquet of flowers for the "Sweets for my Sweetheart

Weekend" and spend the weekend with your special someone. At the end of September, the staff will be showing their fall spirit by decorating the resort with fall props for everyone to enjoy. In October, Branson Ridge will be getting spooky with its "Witchy Weekends," featuring a decor setup, participation meet, and the Witchy Weekend Event during Halloween Weekend.

The staff at Branson Ridge are ready to present you with a fun time for the whole family to enjoy. We've been busy renovating the pool area and we're excited to get the new one ready to go for next season. We've freshened up the paint around different buildings and have all new signage around the resort. We hope we can make your time at the resort memorable and that you'll be planning your next trip out before you leave.

# HIDEAWAY PONDS

6367 BAYOU BLACK DRIVE, GIBSON, LA 70356

Hideaway Ponds has been preparing for the fall all year, knowing that it's a fantastic time to get out and enjoy all the resort and mother nature has to offer. We are finally able to get to work on the clubhouse and the pools. We have moved back into the clubhouse, and we deeply appreciate how far the staff has gone and how hard they have worked to move us back in. Everyone has gone above and beyond what was ever expected and we appreciate you so very much.

In June, Hideaway Ponds kicked off summer in the best way with lots of frozen delectable treats during "Ice Cream Weekend." We also had our Father's Day Celebration weekend, "Let's go Fishing," and we were jumping for joy to see everyone's catches! In July, we needed some cooling off from the heat with our "Pool Party Weekend" where our members dove in for family pool games. We took a break from the current season to skip ahead with "Christmas in July", bringing our season's greetings to our guests with a white elephant game for the adults and a "Guess What's in the Stocking" game for kids. And rounding out the summer, the "Back to School" weekend

gave kids a fantastic send-off before returning to the classroom.

Now fall is here, which means it's time for campfires, late-night hot cocoa, and the never-ending s'mores. The staff at Hideaway Ponds are ready to make your fall camping experience the most exciting and memorable one yet. Our Ocean Canyon family is near and dear to all of us and we can't think of a better way to show our members how much we care than with fun, food, and friendly faces during the upcoming "Member Appreciation Weekend." After that, you don't have to wait for the day your prince or princess will come because we have our "Disney Weekend!" Young ones can let their love show for their favorite hero or heroine princess, while just around the riverbend, the whole family can enjoy lots of activities and crafts. The following month brings Breast Cancer Awareness Month, and we are honoring fighters and survivors of breast cancer, giving individuals and their loved ones an entire weekend of celebration to support their journey. To round out the fall season, we'll have our "Fall Festival Weekend" and "Halloween Weekend" so don't forget to pack your costumes!

# WALTER PEAK

## EMPLOYEE SPOTLIGHT

Before he became a great team member to the Styx River Staff, Walter was one of our faithful regulars on the park. Very quickly Walter Peak became family to everyone here at the resort.

Walter grew up along the sandy shores of Pensacola, Florida. It was during his junior year of high school when he and his family moved just to the other side of the Alabama state line. It's here where he decided to put down his own roots. Mr. Peak is a family man. He is the father of two children, his son Wayland, and his daughter Winnie. He has several grandchildren as well.

The Peaks purchased a Styx River membership back in 2008. His love for the resort and the helpfulness he had for the staff quickly made him family. When he first became a member, he was working construction at a Foundry. But he enjoyed helping out the staff around the resort and making use of his knowledge from all of his work experience so much that we finally asked him to work for us. When he was asked if he would like a job with us, he accepted! We could not have been happier to have him.

Walter is an invaluable help here at Styx River. He greets everyone with a smile, knows the park well and is the perfect host for our members. He helps fulfill a need that our resort and members have.

Walter says his favorite thing about working here at Styx River is getting to meet all kinds of new people. He loves to keep busy by helping out around the resort and to be able to hear all of the different stories from our members. He is always quick to recommend all of the popular beaches and shopping, as well as the local food available in the area to our new and returning members.

We here at Styx River Resort, as well as Ocean Canyon as a whole, are very grateful to have Walter on our team. In the words of Walter himself, "We are a team, we have to work together to make things happen." We could not imagine having any one better than Walter on our team.

### What is one word to describe Walter?

"My word is *kind* as he always has a smile and a friendly 'good-morning' ~ Beth Barlow

"My word is *quality* because he is the kind of employee that you would want working for you."

# MILLWOOD LANDING

596 HWY 317, ASHDOWN, AR 71822

The huge remodel that started at the end of last year has really had a fantastic response. The golf course looks great and swimmers are enjoying the new pool. Millwood Landing has been nothing short of a wonderful experience. To keep the positive growth trajectory, we added an activities director to the team. Please welcome to the Millwood family our new Activity Director, Heather Sexton. She's gearing up for a great guest experience and can't wait to show you all the fun!

Summer was a hit at the resort. Our golf course, after being upgraded and remodeled, had our guests swinging easy, having great rounds and seeing birdies. The many happy golfers who came through were asking when they can book their next tee time! The Millwood Country Club was packed with plenty of smiles and full bellies. Many of our guests have enjoyed a cold drink in the hot sun after playing some golf or relaxing near the lake. And our Pro Shop has everything you need to enjoy the next round. Our Thursday Evening Scrambles have brought in dozens of

players across Southwest Arkansas to play our course.

We recently remodeled the swimming pool, providing it with more skimmers, new plaster, and new tiling. The safety railings on the golf course have been restored as well. Over the next couple of months, we will be planting new flowers and other fauna around the grounds, and we've converted part of the practice green into the all-new Bermuda Grass Nursery, which will help us improve the golf course.

The Millwood Landing Golf and RV Resort is ready to provide a fantastic camping experience, as well as a nice, cool round of golf this fall. Bring the whole family and come experience the fun. And keep your eye out for the next activity calendar!

# MOUNTAIN LAKES

1345 MURPHY HILL ROAD, LANGSTON, AL 35755

Fall is upon us, it's time for the weather to cool down and give us a nice breeze while we relax outside the RV. The staff at Mountain Lakes have been preparing wholeheartedly for the members to enjoy the next few months and we absolutely can't wait to share it with everybody.

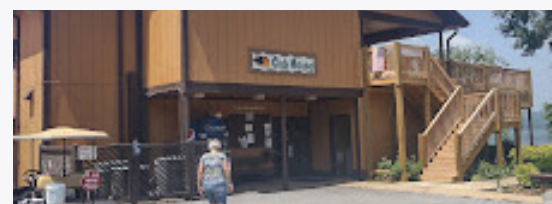

Summer was an absolute blast at the resort. We had so much fun planned for our members, including our Father's Day celebration in June where we hosted an exciting fishing tournament along with dad's choice of yard games. We also had our "4th of July Celebration" where everyone got together for a block party with a golf cart parade and amazing live music. We also got a

little competitive this summer during the "Corn Hole Tournament" and our "Treasure Hunt Weekend" where our members enjoyed a good time playing kickball and singing karaoke. And, with fall almost upon us, we gave the kids a weekend to remember with our "Return to School Pool Party" which was also the perfect way to beat that heavy summer heat.

We will be starting off our Fall camping season with a commemoration to those who gave their lives, as well as those who lost theirs, and the brave heroes during the tragic time of September 11th, 2001 with our "Remembering 9/11" event. Afterwards, we get back into the more light-hearted

activities, like our "Western Weekend," our "Flannel Weekend," and our "10th Annual Fall Festival and Car Show." Afterwards, the resort is hosting our "Halloween Weekends," a three week-long event featuring something new every weekend, including a Fear Factor event, fun music, and even a costume contest!

We're so excited to show you what Mountain Lakes has to offer for the fall season. We're so grateful that we can help friends become families and make wonderful memories.

**25301 WATERWORLD ROAD, ROBERTSDALE, AL 36567**

Autumn is the season that reminds us to see the beauty in change. It's time to be back outside, riding bikes, taking a hike, and lighting up that campfire again. Most of all, it's time for you to plan your next trip to the Styx River RV Resort for some fantastic fall camping! We have been busy getting the entire resort ready for the fall season.

This fall is going to bring all of our members and guests a place where great memories with families are to be made. But we also made a few great memories this summer too. We celebrated our "Father's Day Weekend" with a wonderful fishing event on the river where all of our members were

encouraged to bring their poles and join in the fun. After our "4th of July Block Party", where our members enjoyed a competitive watermelon eating and seed spitting contest, we decided the best thing to do in this heat is to cool off. What better way than with our "Wacky Water Works" weekend, full of water games, board games, and glow in the dark putt-putt. Of course, we can't forget the wonderful Luau that was thrown by the staff, leaving our guests with full bellies, fun memories, and new friends.

We also finished several remodeling projects during the summer as well. We completed both our indoor and outdoor pools. We've also remodeled and

updated many of the cabins we have available for our members.

We couldn't get enough of the 4th of July Block Party, so this fall, we're throwing another one for Labor Day! Don't miss out on all the amazing festivities! To cool off from the heat of summer and "let it go," we have our "Disney Weekend" coming up soon, where you AND your kids can channel your favorite Disney hero or heroine. We will also host a "Soup Cook-Off" to keep the temperature of things juuuuust right. Be sure to check out our popular "Harvest Festival" in October as we have many fun activities and games planned for that weekend. We round out the month with our "Halloween Festival", and our annual "Crock Pot Cook-Off", which is sure to be filled with some of the best Crock Pot recipes you've ever tasted!

We are excited about some of the changes happening at Styx River RV Resort. We are striving to make this fall a great experience for our members and to become a place where friends meet.

# TEXOMA SHORES

**16022 CUMBERLAND COVE RD, MADILL, OK 73446**

Imagine waking up to peace and quiet, gazing at golden fingers of sunlight waking up a still, dark lake. And after a day of fun and excitement, you can watch the lake become serene again as the sun sets behind the pine trees and settles in for sleep. Fortunately, we have the perfect camping spot so you can experience this kind of beauty at Texoma Shores RV Resort. Lake Texoma is a majestic piece of nature on the Red River. It is the largest lake in capacity in the Tulsa District and the most popular with more than 6 million visitors annually.

Our newest resort managers, Lynn Burnham and Yvette McKenzie, have done an amazing job at the resort.

They've taken great care of our guests and have kept the resort in fantastic condition. We couldn't ask for anything more from them, but they keep bringing us even more!

With them at the helm, many renovation projects were completed during the summer, such as adding a new room to the motel. The motel itself is still under renovation, but it's making tremendous progress. Much of the recreational equipment that's outside has been updated or remodeled, and several new picnic tables have been added around the grounds as well. The staff have been working their hardest to level out the RV sites and keep up maintenance on the walking trails along the lake front.

With the weather beginning to cool off, now is the best time to head to Texoma Shores. The fish are biting and the sun gives off the perfect feeling for a tranquil time on the lake. If you have a weekend free or some vacation time, why not come down to Texoma Shores. It's a fantastic place to escape from the hustle and bustle that life brings to your front door.

# TRES RIOS

**2322 COUNTY ROAD 312, GLEN ROSE, TX 76043**

The blistering heat is finally behind us and we are excited about the cool breezes, colorful leaves, and smiling faces. But this summer, the staff at Tres Rios worked really hard to create only the best experiences for our guests. From pool games, ice cream socials, and lots of indoor activities that the whole family could enjoy, this summer was definitely one for the history books!

Complete with several dad jokes (Ex: What do you call a hen looking at lettuce? Chicken Caesar (sees a) Salad), we celebrated all of our dads at the “Father’s Day Weekend” in June. In July, we celebrated Independence Day with water slides, a watermelon eating contest and, of course, s’mores. We had multiple “Pirate Weekends” throughout the summer, and while we

didn’t make anyone walk the plank, swashbucklers and hearties could come and find some buried treasure! And if pirates weren’t your cup of tea, we wrapped up our summer with “Cowboys and Campfires”, where guests experienced a rootin’-tootin’ good time with a nerf gun competition, pool time and icy snow cones.

We worked hard here at Tres Rios to finish the renovations to our dog park, and our four-legged friends couldn’t be more excited! And for our human friends, the staff also worked hard to upgrade the electric capacity on several rows of RV spots throughout the resort.

We have so much planned for the next few months to help you enjoy this fall season. After the Labor Day cele-

brations, we want our guests to experience something a little different. We’re hosting our own “Oktoberfest”! Bring the family and enjoy everything that Oktoberfest has to offer from the comfort of your RV. Afterwards, we’re having our “My Grass is Blue Weekend”, where you can experience fantastic Bluegrass music all weekend. Ending the season, we’re letting our spooky side come out during our “Halloween Harvest Festival” at the end of October.

Tres Rios is preparing for fall the best way it knows how; by bringing our guests all the fun, food, festivities, and friendship anyone could ask for. So, pack your bags because you won’t want to miss out!

## REVIEWS

★★★★★ "This place is the most laid back park, always something going on and very quiet." ~ Lynn J.

★★★★★ "My family & I visited last weekend and we really enjoyed it! We were escorted to our spot by a nice lady on a golf cart, we were parked right up the hill from the river (which has a walking trail along it) and right across from the Kids Clubhouse! This place was very family friendly with a pool, a restaurant on site (which has amazing breakfast) & lots of activities for kids during the day. When we met Janna & Kerry, they were friendly and helpful and they answered all of our questions and concerns. While it isn't open to the public, it's worth taking advantage of the 3 day stay and seeing what these resorts have to offer!" ~Stephanie H.
